

THE AUTISM EPIDEMIC

A Public Health Concern

You are invited to a Town Hall Meeting to learn about recommendations made by the **CALIFORNIA LEGISLATIVE BLUE RIBBON COMMISSION ON AUTISM** and to have an opportunity to comment on those recommendations.

Monday, June 4, 2007
Friends of Children with Special Needs Center
2300 Peralta Blvd, Fremont
6:30 – 8:30PM
No charge
Refreshment Provided

The Commission's recommendations, which are available at <http://senweb03.senate.ca.gov/autism/index.html>, are for:

- Early Identification and Intervention
- Education and Professional Development
- Transitional Services and Supports

You will have the opportunity to:

- Learn about the recommendations (preview at <http://senweb03.senate.ca.gov/autism/index.html>)
- Participate in a discussion and provide input on prioritizing recommendations
- Offer direct feedback to a panel of several Commissioners and staff

Call Josephine Chou at (510) 739-6900, JChou01@aol.com, or Kristin Jacobson at (650) 759-5737 for your reservation by June 1st, as we are providing refreshments and a packet of material.

Sponsored by the following community agencies and groups in partnership with the California Legislative Blue Ribbon Commission on Autism: Friends of Children with Special Needs; Offices of State Senators Don Perata, Elaine Alquist and Ellen Corbett; Assemblymember Jim Beall; Autism Speaks™ SF Bay Area Chapter; ASA; Autism/PDD Support Group, PHP; Morgan Autism Center; Asian Americans for Community Involvement; Mission Valley SELPA, Pacific Autism Center for Education
